

Exhibitor Prospectus

Invitation

It is our pleasure to invite you to partner with the 14th biennial Footwear Biomechanics Symposium (FBS 2019). The FBS 2019 conference will be held at Delta Lodge in Kananaskis just a short drive from Calgary, Canada.

The FBS 2019 committee is confident that as an exhibitor, you will be able to leverage the exposure to a large number of attendees, from a variety of sectors in the footwear industry and academic institutions. Further, we recognize that many of our exhibitors are scientists themselves, and thus, up to two congress registrations will be included for our exhibitors.

Congress Details

Please visit our website (fbs2019.footwearbiomechanics.org) for additional details regarding the schedule, organizing committee, accommodation and other details.

Our Exhibitor Mission

It is our objective to provide simple, yet varied exhibition opportunities, thus addressing the varied requirements of our partners. We plan to provide a pre-determined set-up kit for all exhibitors. Please note that all exhibitors will share one large area, and ***priority of placement will be sold in accordance of receipt of deposits using a tiered system with preferred locations.***

We want to thank you for providing us with the opportunity to host your organization, and look forward to exceeding your expectations.

Dr. Brent Edwards
Conference Co-Chair

Dr. Bill Wannop
Conference Co-Chair

Sandro Nigg
Conference Co-Chair
