Date July 29th, 2019, ~4:00PM

Tickets <https://fbs2019.footwearbiomechanics.org/registration>

Price Free

Who Should Attend Registrants of the 2019 FBS looking to enjoy a beautiful hike and enjoy social interactions with fellow attendees in addition to mentors from industry and academia

Details We will be organizing a moderate hike in the beautiful Rocky Mountains for everyone who is looking for the real Outdoor experience. The objective will be to drive interaction and networking between all attendees with a focus on student and industry/academic mentors, while enjoying the picturesque views. The hike starts off right behind Kananaskis Lodge and will take approximately 2-2.5hrs. The famous Ribbon Creek will be partially discovered with the impressive peaks of Mount Kidd and Mount Bogart right beside you (<https://www.albertaparks.ca/parks/kananaskis/kananaskis-country/advisories-public-safety/trail-reports/kananaskis-valley/ribbon-creek-summer/>). After the round, we will be back at the Lodge for a drink and some food. Note that drink and food is not included.

What's Included Guided hike in the Rocky Mountains.

What to bring Good walking/running shoes or hiking shoes.
